

# INSPIRE V4

# OUTDOOR

The **Inspire V4 Outdoor LED Tape Light** merges a durable design with improved versatility. Utilizing an all-new water-tight pin connector system, a stronger silicone injected tube coating, 94+ CRI, and longer run lengths, the **Inspire V4 Outdoor** will provide an easy installation and outstanding color to your outdoor application.

## QUICK SPECS

- Color Temperatures: 2700K & 3000K
- Watts per Foot: 3.8 W/FT
- Coating: Silicone Injected Tube
- Max Run Length: 25 Feet
- Reel Lengths: 5FT, 15FT, & 25FT\*
- Input Voltage: 24V DC
- CRI: 94+
- Environment: Outdoor, Wet/IP67\*\*
- Cut Lengths: Every 4 Inches
- Mounting: Rubber Strip Channel
- Connectors: Water-Tight Pin Connector
- Dimming: MLV/Incandescent/0-10V
- Certifications: UL Listed (U.S. & Canada)

## QUICK SPECS

- Color Temperatures: RGB (16.7 million colors)
- Watts per Foot: 3.8 W/FT
- Coating: Silicone Injected Tube
- Max Run Length: 25 Feet
- Reel Lengths: 5FT, 15FT, & 25FT\*
- Input Voltage: 24V DC
- Environment: Outdoor, Wet/IP67\*\*
- Cut Lengths: Every 4 Inches
- Mounting: Rubber Strip Channel
- Connectors: Water-Tight Pin Connector
- Dimming: PWM with RGB Controller
- Certifications: UL Listed (U.S. & Canada)

\*Each reel length includes one (x1) 25FT Hardwire Connector.  
\*\*Non-submersible.

# INSPIRE V4 OUTDOOR

## CONNECTORS & EXTENSIONS

### Single Color

## 25FT Hardwire Connector

Part Number: V4-OUT-CON-HW-25-BLK

Length: 25 Feet

Wire Size: 18AWG

Wire Rating: UL Listed

Color: Black

Description: Connects a run of the Inspire V4 Outdoor to a hardwire driver. Has a male and female connector. Cut off the connector you don't need.

### Single Color

## 3FT Extension

Part Number: V4-OUT-EXT-3FT-BLK

Length: 3 Feet

Wire Size: 18AWG

Wire Rating: UL Listed

Color: Black

Description: Connects two runs of the Inspire V4 Outdoor together. Has a male and female connector.

### Single Color

## 2IN Fem. to Fem. Extension

Part Number: V4-OUT-EXT-FF-BLK

Length: 2 Inches

Wire Size: 20AWG

Wire Rating: UL Listed

Color: Black

Description: Connects two runs of the Inspire V4 Outdoor together using the male connector leads.

### RGB

## 25FT Hardwire Connector

Part Number: V4-OUT-CON-HW-25-RGB-BLK

Length: 25 Feet

Wire Size: 20AWG

Wire Rating: UL Listed

Color: Black

Description: Connects a run of the Inspire V4 Outdoor RGB to a hardwire driver. Has a male and female connector lead. Cut off the connector you don't need.

### RGB

## 3FT Extension

Part Number: V4-OUT-EXT-3FT-RGB-BLK

Length: 3 Feet

Wire Size: 20AWG

Wire Rating: UL Listed

Color: Black

Description: Connects two runs of the Inspire V4 Outdoor RGB together. Has a male and female connector lead.

### RGB

## 2IN Fem. to Fem. Extension

Part Number: V4-OUT-EXT-FF-RGB-BLK

Length: 2 Inches

Wire Size: 22AWG

Wire Rating: UL Listed

Color: Black

Description: Connects two runs of the Inspire V4 Outdoor RGB together using the male connector lead.
