

## Limited Warranty

LED Inspirations will, through its authorized dealers, replace any parts covered by this Warranty found to be defective in materials or workmanship. The covered defect must be reported within the warranty period (5 years from date of product delivery).

Replacement in accordance with this Warranty shall constitute fulfillment of all liabilities of LED Inspirations, LLC and the selling Distributor in respect of such LED Inspirations, LLC products.

To obtain replacement parts for items under warranty, the purchaser must:

(a) Report the product defect to LED Inspirations, LLC within the applicable warranty term and (b) Present evidence of purchase date.

### What Is Not Covered by the Warranty?

Damage or Failures resulting from:

- Accidents
- Environment (such as exposure to corrosive material)
- Acts of nature (flood, storm, etc.)
- Unauthorized modifications
- Use of non-approved parts
- Misapplication
- Abusive operation
- Improper installation
- Lightning or power surges

This Warranty does **NOT** include reinstallation of Tape Light, connectors, or other accessories.
